

# Find PRP JKO Course

ATTENTION: JKO will be unavailable starting on 27 August 2025 at 0700 ET through 02 September 2025 0900 ET. JKO is completing database upgrades and maintenance during this window. This outage impacts all JKO NIPR services, including the JKO LMS, Course Builder, Report Builder and VCLASS. It is highly encouraged that if you have upcoming training due during the outage window that you complete this training before 27 August 2025. The JKO Helpdesk will be unable to assist you with JKO application related issues during the downtime. We appreciate your patience as we work to improve the JKO infrastructure.
